BAIE D'URFEE CITIZENS' ASSOCIATION

OUR ASSOCIATION

" LEAVE IT TO GEORGE "

The attendance at the Monthly General Meetings of Our Association has been good, especially considering the fact that they have been held at a time when the majority of people are busy working in their gardens. However a number of members have not yet put in an appearance and it is to be hoped that they will make every effort to attend in future.

Perhaps some feel that the meetings would be dull affairs, but so far they have proved most interesting, while there is every reason to believe that they will become more so as members get better acquainted and enter more freely into discussions. Others perhaps adopt the "Leave it to George Attitude" but since the Association is concerned with the Welfare of the Community, the active support of EVERY Citizen is desirable.

One of the main objectives of the Association is to promote and maintain interest in Civic Affairs and in this respect it has been most successful. It is important that residents become and keep acquainted with civic matters especially when within the next few years Baie d'Urfee will have to face many problems. If the recent rapid growth of the Town is maintained questions such as Police and Fire Protection, Sewage Disposal, etc. may arise, while perhaps now before further extensive building takes place serious consideration should be given to Zoning.

These problems and a host of others which affect residents and possibly their pockets can be discussed at the General Meetings and if considered desirable any matter may be taken up with the Town Council whose full co-operation the Association enjoys.

G.G. Hudson, Vice Chairman

COMMITTEE ON SCHOOL AFFAIRS

The Representatives of the Citizens' Association have attended the last two meetings of the Baie d'Urfee School Board and have been graciously received and kindly welcomed by the Members of the Board, namely, Mr. Walkinshaw - Chairman, Mr. Spriggs of Baie d'Urfee and Mr. Williamson of St. Mary's Road.

Mr. Spriggs, who has taken the oath of office as Trustee for the next three years has been appointed delegate to the meetings of the Representatives of the various School Boards of the district, to consider the question of a Central School Board.

A letter has been sent to the Protestant Committee of the Council of Education, Quebec, asking permission to form a central School Board in conjunction with other local School Boards.

Some change is inevitable as Macdonald College is not willing to continue on the present basis.

As this change will probably mean an increase in taxation for school purposes it is desirable that the Citizens study the question carefully. It will probably be officially explained at the next Meeting of the Citizens' Association.

According to our Provincial School Law a regulation states that any such change involving greater expenditure must be put before the Ratepayers, who will have Thirty Days in which to express an opinion or objection.

Frida Kruse, Chairman

THE RECORD

At the Monthly Meeting of Your Executive the following was discussed:

It was decided that a set of instructions be drafted to explain the conduct and duties of committees and their relationship to the Executive.

Publication Policy was considered and the decision that the Paper be reviewed before publishing to avoid possible legal responsibility was arrived at as well as the decision to restrict all news advertising rights to Members if space available.

Secretary Eleanor Sim's resignation was received and accepted as she is leaving town. Mr. W. D. Laird has undertaken the duties commencing August 11th.

Vice-Chairman G.G. Hudson's resignation was received and accepted due to his anticipated departure for the coast and Mr. H.E. Pennefather has undertaken this position.

At your Monthly association Meeting, August 8th, Miss Hartnell reported her Honour Roll Committee's work was nearing completion. Letters were read concerning Veterans Rd. and the proposal that it be named Lakeview Rd. Mrs. Jo Grant reported that Posters requesting Baby-Sitters had been put up and the response was gratifying (list published elsewhere in this Issue). Your Treasury reports a balance of approximately \$50.00. Mr. Heimpel discussed the seriousness of the weed menace and the necessity of cutting early before they go to seed.

New Business brought forth - the need of a boom for the Kiddies Swimming Lessons repair of a raft which might be available, provisions for a wharf suitable for swimming and diving, operation of the school bus, Frozen Food Lockers, Lighting at the C.P.R. Station, testing of the Water Supplies, Smoke Control and affairs of the School were discussed fully. The Record speaks for Itself.

W.D. Laird Secretary

It is with sincere regret that we inform you of the resignation of our very active Secretary, Eleanor Sim, who is taking a lengthy leave of absence with her husband and family. We wish them well and look forward to their return in the not too distant future.

Your new Secretary, Mr. Douglas Laird, has moved in on the job so capably handled by Eleanor Sim and sincerely hopes he will be able to handle it equally well. Enthusiasm is at a high level in your Association, particularly amongst the Executive and it has already become apparent to the new Secretary that there can be no shirking.

Resignation of our Vice-Chairman, G.G. Hudson, has just been received. Vancouver's good fortune is our misfortune as this gentleman was an active member and good citizen and his absence from the local scene will be felt by all. With the present housing shortage we wonder who will be the lucky fellow to take over, any news on this score will be welcomed by your editor.

ELECTED; your new member H.E. Pennefather to the now vacant position of Vice-Chairman of your Association by your Executive. We look forward to his able assistance in community life.

EX-OFFICIO - Members of Committees should note that our chairman, Phil Holliday, as the Association's Chief Executive, is automatically an ex-officio member of all committees. He should therefore be advised of all committee meetings and activities by the Committee Chairman.

How does this affect YOU. e.g. You get an IDEA, you want to make it work. PHONE your fellow member, Phil Holliday, at 453 any hour "?" talk it over or see him. His job is to sit in on all ideas or committees and then when necessary he will act for you at the executive meetings. It is rumoured that Miss Holliday is trying to procure a private phone.

RECUPERATING; our good friend, Mayor F.W. Case, from an attack of pneumonia. We are happy to know that he will read this paper in his home instead of the Royal Victoria Hospital where he has been under medical care.

ASSOCIATION MEETING to take place Friday, September the 12th, at 8:00 P.M. We are deeply indebted to His Worship the Mayor for the Film "Deep Horizons" to be shown after the Minutes and New Business at hand. You would be well advised to make your arrangements now so there will be no last minute regrets.

SQUARE DANCING, Kentucky Style, presented by our guest Ermon Fay Duschenes at the August 8th meeting, proved to be very enjoyable and brought something new into most of our lives. A great deal of thanks is due this bright, gay, young lady. To those of you who could not attend we can only say we are sorry and hope you will make every effort to do so, for there is no doubt but what each meeting shows a marked improvement in enjoyment and knowledge.

SWIMMING. Appreciation is due Mrs. Grant and Mrs. Gray. Their time and effort have not been lost. The attendance was very good and the children loved every minute. The parents are indeed gratified with their progress. Swimming instruction is eagerly looked forward to next year.

CONGRATULATIONS to Mrs. E.M. Osborne who celebrated her 75th birthday at the home of her daughter, Mrs. Frank Hanson, where she was entertained by her children, grandchildren and friends.

"LAKEVIEW ROAD" was submitted to the Town Council and accepted on August 25th, in place of the now called Veterans Road, the signposts should be up shortly.

GOVERNMENT TEST TUBES are now available at the Town Hall for testing of your well water. This service is provided gratis by your Quebec Government and further information may be had at the Town Hall.

TO ERR IS HUMAN and so with your Editor who through a misunderstanding in the August issue showed E. Godwin and family as new members only to find that, much to our regret, this is not the case.

FIRST AID KIT was kindly offered by Dr. W.H. Cruickshank for use at the Town Hall. Please accept the thanks of all your co-members.

TO OUR NEW MEMBERS A HEARTY WELCOME

MUSIC NEWS: Residents of Baie d'Urfee will have an opportunity to become members of the Ste. Anne de Bellevue Community Concert Association during the week of October 6th. The fee of \$6.00 entitles members to attend THREE concerts and possibly more during the coming season. Mrs. F. W. Case is in charge of membership for Baie d'Urfee and is appointing a group of workers to help her in presenting the plan to every resident of this community.

MUSIC VIEWS: Dr. Frank Hanson, who was requested to prepare a music programme for this community states that he has sketched a tentative plan. He believes that a community music project should be based on two principles. The first - that the community should be afforded many opportunities for listening to good music by means of concerts, records and films. Secondly, that these listening experiences should be supplemented by study groups. Dr. Hanson states that he is now engaged in preparing study units which will be made available to non-urban communities throughout the Province and that if the Citizens of Baie d'Urfee are interested in forming a study group for the coming Winter Season he will be very glad to help in its organization and operation. ("Thank you, Dr. Hanson")

BAIE D'URFEE can boast of People who believe in saying, "No sooner said than done" by this we refer to the request made by Mrs. Grant at our Aug. 8th Meeting, for a Crib, in the water to help the Little Ones learn to swim, mention was made about the unnecessary stones. On Sat., Aug. 9th, the stones had been removed and the Crib was in the water, this is a sample of what co-operation really means and we are most fortunate to have it in Our Community.
