OUR ASSOCIATION
THE FUTURE OF OUR TOWN

Our Town is without a doubt the finest Community on the Lakeshore. Can we keep it that way? We all sincerely hope so - but hoping is not enough. We should all be giving the Future of Our Town some serious thought. The day for action may not be far off.

What makes Our Town so attractive? Its exclusive residential nature, its open spaces, our beautiful Town Hall, our Town By-Laws which insure adequate sized lots and homes and the attractive Shore Homes are all contributing factors. The first two factors, however, will not always apply, therein lies the need for thought and action.

There has been a large percentage increase in the number of new homes in the past two years - the pace is likely to increase. Increased population means less open spaces and a greater need for recreational facilities. It also means a need for a local shopping centre. Neither of these needs can be adequately dealt with by piecemeal methods. A plan is necessary.

Your Association's Committee can supply technical knowledge and can recommend a plan for the Town. The final decision, however, must be yours. The problems of the Future of Our Town is of such vital importance to us all that it warrants all the study and thought that we can put into it.

Harry Smythe, Treasurer.

RECREATION

Looking back over the past few months, we should be convinced of one thing - namely, that good recreational diversion has contributed a lot towards getting the People of Baie d'Urfe together. Baie d'Urfe Day was a big success, a lot of new friendships were formed and everybody enjoyed the outing.

Next Summer we can look forward to another B.D.D. and at least two Sailing Regattas, a Pier, Raft, Fun and Games on the Town Hall Property, a Summer Dance or two, a Corn Roast and Sing Song. It is a very simple matter for Your Committee to organize these events but their success depends not so much on the Committee organizing, as your support of their efforts.

At the present time our plans for the Winter Season are not formulated, winter planning is a more difficult enterprise and any suggestions would be greatly welcomed.

Bob McBride, Chairman, Recreational Committee.

THE RECORD

A special meeting was held on October 10th, and Article IV(a) of the Constitution was amended to include the Editor of News and Views as a member of the Executive.

Following this, the regular meeting was held. The Honour Roll is to be in the form of a Scroll and will not bear the words Honour Roll. Those who died and those who served with rank, decorations and service will be included, those wounded and prisoners of war will be included.

Dr. James stated that by Spring the Macdonald smoke should cease to be a nuisance. The Frozen Food Locker idea has been dropped for the present, since it is not considered feasible to operate one in Baie d'Urfe. The first meeting of Home and School Association is to be held in Macdonald College High School on Tuesday, October 21st, 1917.

Mr. and Mrs. Fry, new comers were introduced. A Hobo Hop is arranged for Nov. 1st. Movies start October 11th, a Movie Club is being formed. Dr. Brittain's attention has been drawn to the fact that a Baie d'Urfe child was refused admission to Macdonald School because he is a Roman Catholic and because the School is overcrowded.

The tax rate went up one half mill. Mr. E.M. Pilkey is our new Auditor. Speeding is to be taken up by the Council. Following the Meeting Our Guest Speaker, Mr. L. Watt, spoke on Town Planning.

W. D. Laird, Secretary.

ASSOCIATION MEETING to be held at the Town Hall on Friday, November 11th, 1947. A very nice programme has been arranged by the FILM CLUB, to take place after the general meeting.

TOWN PLANNING a most interesting project and one which takes a lot of study and forethought. Mr. L. Watt, guest speaker at our last meeting, gave us to understand that ZONING etc., was something the entire municipality should take an active interest in and when the time comes a questionnaire be sent to all residents for their ideas and suggestions.

CALLING ALL MOVIE GOERS - by Mrs. E. DeWitt.

On Saturday, October 11th, at 2:30 P.M. the MOVIE CLUB entertained 16 Junior Members at the Town Hall, this being the first of the by-weekly shows to be conducted throughout the Winter Months, for the benefit of the children in the Community.

Miss Joyce Hartnell opened the programme with a Singsong which was enjoyed by all, the two Comedies were greatly appreciated by the children and their shouts of glee filled the Hall.

Two very interesting Travelogues in Technicolor were shown, a film of our own Quebec's Winter Playground and a trip through the Rocky Mountains to the West Coast, Cory Thompson narrating. The scenery was so beautiful and realistic that a certain gentleman was overheard to have told his wife that it had saved him the expense of a trip. Baie d'Urfe Day, in colour, was an added attraction.

While these films were both entertaining and educational for the children they were also enjoyed by the Parents who attended.

CONCERT SERIES - The Ste. Anne de Bellefeuille Community Concert Association had a very successful Campaign, the folks who became Members are assured of four (4) excellent programmes, the first to take place in October.

HOME & SCHOOL - The first meeting of the Home and School took place in the Macdonald College High School, Tuesday, October 21st, the attendance was very good, over 70 people were seated by a quarter past eight.

Our Chairman, Mr. P. Holliday opened the meeting, Mr. M. Davies acted as temporary Chairman and Mrs. F. Case as temporary Secretary until a slate of Officers was selected, the slate is as follows:

PRESIDENT Reverend F.A.C. Doxsee
VICE-PRESIDENT Mr. M. Davies
SECRETARY Mrs. T. L. Bullock
TREASURER Mr. S. M. Pilkey

The first question was FEES - it was proposed that each family pay a $1.00 Membership and where there was just one Parent the Membership be 50 cents. Fees were collected after the meeting adjourned.

A short discussion took place on who should be eligible for Membership and it was proposed that any persons interested in School Affairs could join the Association.

CORRECTION - Mr. R. Vidler informs us, with a downcast air, that he and his family will not be moving into their new Home until the middle of November.
